## Experience Level Screen

A hand-drawn sketch of a mobile application interface. The screen is titled "Experience Level" and features a user profile section with a person icon and the name "Hamza Khan". Below this is a list of six experience level options, each with a checkbox. The third option, "In Second Year University", is selected with a checkmark. At the bottom of the list is a black button labeled "Update". The interface is framed by a thick black border representing the phone's bezel, with a status bar at the top showing signal, battery, and time (19:35).
